Dear Mrs. Michelle,

After I have spoken to you on the phone, this past week, I now permit myself to send you this letter and join my file to it, like you have asked me to do.

I am very sorry for sending you so many envelopes, but my financial situation obliges me to do it this way. I have numbered all the envelopes from 1 to 5 on the front left of each. Could I please ask you to let me know when you have received them all? This is just a matter of security and also to keep my file complete.

With nothing more, I just want to thank you in advance for your time in reading me and your good understanding, as well as for your prompt answer.

Receive Mrs. Michelle, my most respectfull and sincere regards. May God Bless and Protect you for ever

Sincerely: Charles Bays.

To Whom This May Concern,

Woodstock, 03/17/2011.

I Charles Bayo, hereby declare and I join the proves of what I declare with this letter.

I declare that it is correct , I was born on the 04/07/1954, (proof birth certificate), in the Ex Belgium Congo, in Kilomoto, now it is called Kilomines and the country's name is ; Democratic Republic of the Congo.

I also hereby declare, that I was a Belgium citizen, but being away from the country for more than three (3) years, I have lost my Belgium citizenship. Actually it expired on the 07/29/2008. (Proof of this is my Belgium ID card). I was here in the United States trying to become a legal citizen at that time, but it has been unsuccessful for me until this day.

Also, I hereby declare that during 56 years I had the Spanish nationality, (proof is the copy of my Spanish passport). My passport was stolen in 2008, out of my truck by the children of my ex- wife in Greenwood, Indianapolis. When I wrote to the Spanish Consulate, asking for a copy of my Spanish Passport, this was denied to me. After multiple attempts to obtain a copy, I got a letter denying this to me. (proof the letter of the Spanish consulate, dated on the 12/14/2010).

For the following reasons, I there for have asked for political Asylum here in the United States of America.

1: It is impossible for me to obtain a copy of my birth certificate. The country does not exist any more and also has another name. Now the country is ruled by terrorists and rebbles. It is to dangerous for me to return to my birth country, I am afraid they would kill me just because of the fact that I am caucassian and I was born in the time of the Belgium Congo. I have tried to call the D.R. of the Congo's Embassy, but since I have told them that I was born in the time of the Belgium Congo, they have always denied my calls and there for it is impossible for me to obtain a copy of my birth certificate.

2: I have also called and spoken to the Belgium Embassy in New York, they have confirmed to me that I had lost my previous citizenship of the country and if I did go back to Belgium, I would have to file for my citizenship again just like here in the United States of America.

3: The 3 rd reason is ; seeing that the Spanish Consulate denies my Spanish nationality since my birth, I there for am a person from no mans land with an unknown birth date and or nationality.

4: I have been married 2 x, here in the United States, to an American citizen in a laps of 5 years. I got divorced 2 x , 1st because of the lack of chemistry and plenty of issues with other and

21
more men. 2nd divorce was because of drugs and theft from her children and I do not tolerate any drugs under my roof or in my household. I do not tolerate theft neither.

Futher more, I also declare that I have entered the territory of the United States of America 2x. The first was in Chicago on the 03/03/2006. There they checked my documents and issued me a I-94 with the # 25732564012 as visa waiver which was valid for 90 days. I went back to Belgium at the end of the month of March 2006. I stayed out of the United States during the month of April 2006. On the 05/06/2006, I have re- entered the United States via Atlanta, Georgia. This time and here, they only checked my Belgium and immigrant ID card. They told me that everything was o.k. and I was allowed back in the United States. They did not issue any other documents for me and neither did they say that I was not allowed in again, lack of waiting time to come back here in the country. If they would have told me that there had to be a laps of time of waiting, then I could have gone back immediately, but they told me it was fine and I was welcome to the United States of America. There for, I believed that it was safe for me to be here and I got married to my ex- wife on the 05/19/2006. As soon as I was married , I have started to file for my citizenship for the first time. When I got divorced, I had to restart again with my filing, then got married for the 2nd time, and again I had to start over with my filing for my citizenship. This was costing me a lot of money. When I spoke to my attourney , at his turn ,he told me that there was a law, admitting the immigrant ladies to stay after and when they got divorced, so there for ,it was logical that the same law exsisted for the immigrant men. I trusted his words and I stayed here in the United States, hoping and planning to file for my citizenship later on. Since the date that I have entered the United States, I have never asked for any type of financial help or anything else from the American government. Default of me having in my possession a S.S. n0, I have paid my taxes via my wives. I have always been correct as self employed. I had to work for a living, that was clear and I was planning to start filing again for my citizenship, but never got the time.

These are the reasons why I have filed for the political Asylum in this country and I pray to God to help me with my situation.

Thank you for your time of reading me and for your good understanding , receive sir my most sincere greetings and may God Bless and Protect you for ever.

Sincerely: Charles Bayo.

Woodstock, IL 60098.

Woodstock, 03/17/2011.

To Whom This May Concern.

Sir,

My name is Charles Bayo, I am born in the Belgium Congo on the 04/07/1954, from a Spanish father and a Belgium mother. My A # 200881987. I permit myself to write this letter and I will join the proofs that I have to it and hopefully some one will finally be able to help me with my case.

I have been incarcerated now for the Department of Homeland Security since the 10/07/2010. I hereby join a copy of my birth certificate; a copy of my ancient Spanish Passport; the letter of denial from the Spanish Consulate, dated from the 12/14/2010 and a copy of my ancient Belgium ID card, (got expired on the 07/29/2008), as well as my Belgium citizenship.

For all these reasons, I have filled out a 589 form asking for Asylum here in the United States of America. I have handed the original copy of the 589 form over in person to the Honorable Judge Mr. VINIKOOR, as well as to the prosecutor and the secretary, on the 01/14/2011, which was then my first hearing date. On the 2nd court date, 01/28/2011, the same Judge ordered me to get deported. He did not even get to mention anything about the forms for my application to Asylum. Later on the 02/07/2011, I got my notice to sign for my deportation. I have signed it because I was threatened to be incarcerated for a period of 10 years if I would have refused to sign them. Not even knowing to where they are going to deport me, I just signed the papers so as to stay safe.

Now my questions are the following; What happened to the forms that I have filled in for my Asylum? Then, to which country are they planning to deport me? Finally, how long do I still have to stay in Custody of the Department of Homeland Security?

Now, my official name has always been Charles Bayo, like it is written on my birth certificate, in French language. I got the Spanish nationality from my father who was a Spaniard but I have never been a Spanish citizen, I've always only had the nationality. When at first the ICE officer accused me of being a Belgium citizen, I answered no to this. The reason was that I had lost my citizenship since the 07/29/2008, (like it shows on my Belgium ID card). I believed that I was going to obtain my green card of the United States and for that I did not renew my Belgium ID card. The same ICE officer also accused me of having used a false name. This is not true. As I said before, my name is Charles Bayo written in French on my birth certificate but then in the Spanish language, they call me Carlos Bayo Staes. That was written in my Spanish Passport. Again it was not true of me using a false name. Last but not least, he also accused me of entering the United States just 1 time. Again it is not true. I have entered the country 2 times in 1 year. The first time was in Chicago on the 03/03/2006. Then they gave me a visa waiver valid for 90 days. At the end of the month of March 2006, I went back to Belgium. I stayed away for the whole month of April 2006. Then on the 05/06/2006, I came back, I landed in Atlanta Georgia. That time they only checked my Belgium ID card and nothing else. Why are they allowed to do these mistakes and just blame me for their errors? They accuse me with three errors. I am no Belgium Citizen; I have entered the country 2 times and I am perfectly legal with my name. What is their point????

With nothing more, I thank you for reading me and receive my sincere regards.

Sincerely, Charles Bayo

Muy Estimado Sr. Consulado,

Mi nombre es Charles Bayo, nacido en el Congo Belga el día 07 de Abril 1954 y mi número de alien es A# 200881987. Me permito de escribir le esta carta, por pedirlo a usted un gran favor por favor ?

Después de haber practicado con usted sobre el teléfono, usted me ha asegurado, de que usted había rechazado la petición del gobierno Americano, pidiendo le a usted mi deportación hacia Mexico.

Ahora bien, el favor que yo quiero pedirle a usted por favor ? Sería posible a usted de mandarme una carta diciendome, que es cierto que usted ha rechazado esta petición del gobierno Americano para mi deportación hacia Mexico. No hace falta mas explicaciones de ello. Solamente como qual que usted lo ha rechazado a la petición. Me explico ; a mi me haría falta estas pruebas para defenderme en la corte de inmigración de Chicago, así yo puedo decir que yo he ayudado con mi deportación. Yo los había propuesto a la corte de inmigración , de deportarme hacia Mexico anteriormente. Ahora , con su carta y la misma carta de la embajada Belga, yo los puedo decir a ellos que he ayudado en mi asunto de deportación y así eventualmente yo me puedo liberar de esta cárcel donde me encuentro en este momento. Solamente es por esta razón que yo les pido esta carta por favor ?

Sin nada mas por ahora, Sr. Consulado, solamente lo quiero dar le gracias por su buena comprensión y su colaboración. Recibe usted Senior, mis saludos los mas distinguidos y que Dios le Bendiga y Protege para siempre.

Sinceramente: Charles Bayo.

To the Consulate of Burkina Faso

Sir,

Woodstock, 03/04/2011.

With all my respect and after I have spoken to you this past week, I now permit myself to write you this letter. I would like to ask you a favor and some questions about your country? The reason to this is because I am very interested in going to your country, so as to start with either a missionary and or start a small business.

My name is Charles Bayo, I was born in the Belgium Congo on the 04/07/1954, and with a Spanish nationality. I have done all my studies with the " Brothers of Charity College " in South Africa. After that I went to Europe, to Belgium precisely, to carry on with my studies and do my specialities. These specialities are , 1, qualified motor car mechanic, 2, qualified welder and 3 but not least, a qualified garden & landscaping designer. I also do know how to read, write and speak, 5 different languages. These are the following; French ; English; Spanish; Dutch and South African. I also have some knowledge of German, Portuguese and Italian but I am not perfect with them.

Now I am just about 57 years of age, and I have the right to draw my Belgium and Spanish retirement every month. With this money I am planning to live my life. Although I have this privilege, I would like to start with a missionary in some part of the world, I am not sure where yet. I am looking for a country where the people could best use this missionary and where they would best appreciate it. My goal would be to teach the people about agriculture, cultural and Christian life, I would also be helping them with clothing and food and if need be with medical supplies. These are also the main reasons why I would like to sacrifice my life to the people in need.

For these reasons I would like to ask you what chances I have in succeeding with these projects in your country? Another question would be, what do I need to become a permanent resident of your country? Last but not least, what travel documents and vaccines do I need to be able to travel safely to your country?

As for now I am in custody for the Department of Homeland Security, here in Woodstock , Illinois. I hope that soon I may be released and carry on with my life. About my incarceration, what chances do I have that you would accept a petition from the American government, asking you to deport me to your country? Do I have any hope that you would accept my deportation to Burkina Faso? My last question to you Sir would be; could you please send me more information about your people and what they mostly need at this point and time, please?

With nothing more for now , I would just like to thank you for your time in reading me, for your good understanding and your prompt answer to my letter. Sir , receive my most distinguished greetings and may God Bless and Protect you for ever.

Sincerely: Charles Bayo.
